Dear customer,

We're committed to helping you discover crepes in a new light. Inspired by Breton tradition, we reinvent these classics with a touch of originality that will surprise your eyes as much as your taste buds.

Our crêpes, whether savory or sweet, are made with quality ingredients and unexpected flavor combinations. Each plate is designed to offer a unique gourmet experience, with presentations that are out of the ordinary and add a pinch of magic to your meal.

And because sweet pleasures and moments of relaxation go hand in hand, we also offer delicious homemade pancakes and a selection of carefully chosen coffees, perfect to accompany your gourmet breaks.

Whether you're here with family, friends or just the two of you, our team will welcome you in a warm and friendly atmosphere, to make every visit an enjoyable gourmet interlude.

Enjoy !
